

Connect, get advice or learn more

## HELLO FROM YOUR COUNTY DNR FORESTER

*Hi, I am the DNR forester working in Iowa and Lafayette Counties. I hope to see you at the upcoming Learn About Your Land classes. These classes cover many but not all topics relevant to woodland owners. Do you want more information or personalized advice?*

Ross DeWitt

*That's where I can help, free of charge. WDNR foresters want to build relationships with woodland owners like yourself and are happy to answer your questions or visit your property to offer advice tailored to your land. Some ways I can help include:*

- *Suggesting ways to attract more wildlife*
- *Preparing written forest management suggestions*
- *Assisting with tree planting projects*
- *Providing advice about cost-share programs and timber sales*

*These services are free, and I hope you take advantage of them. Please reach out to talk about your goals or do a walk-through on your property.*

*Sincerely,  
Ross DeWitt, Iowa and Lafayette Counties Forester*

# Learn About Your Land

CLASSES FOR WOODLAND OWNERS

ONLINE

Iowa and Lafayette Counties

September & October 2023

*Dear woodland owner,*

*We're here to help you achieve your goals for your woods. Our classes provide the knowledge and resources to help you get the most from your woodland. We invite you to join us at "Learn About Your Land."*

*Look inside to learn more.*

Space is limited, so pre-registration is necessary. Registration fee is \$15 per person, which includes all three webinars.

Must register by September 25, 2023 to attend the first week. Pre-register for these classes at [woodlandinfo.org/register](http://woodlandinfo.org/register)

### SESSION 1

Wed., September 27, 2023  
6:00–7:30 pm CT

#### INVASIVE PLANT IDENTIFICATION AND CONTROL

Are you having problems identifying and/or controlling invasive plants on your property? If so, then this class is for you. We will describe the most problematic invasive plants for woodlands in Wisconsin and recommend ways to control them.

### SESSION 2

Wed., October 4, 2023  
6:00–7:30 pm CT

#### SUCCESS WITH TREE PLANTING

This session will identify what is needed to successfully plant and nurture new trees. Learn which trees will grow best on your land, how to prepare your land, techniques for planting, and how to care for newly planted trees.

### SESSION 3

Wed., October 11, 2023  
6:00–7:30 pm CT

#### ASSISTANCE WITH YOUR WOODLANDS

A healthy woodland requires knowledge of forestry techniques and the investment of time and money. This session will link you to the people, programs and organizations that offer technical and financial assistance for all aspects of your woodland.

#### Location:

Online Zoom meetings – links will be shared after registration.

#### Questions?

Contact **Tony Johnson**,  
Extension Natural Resource Educator at  
[anthony.johnson@wisc.edu](mailto:anthony.johnson@wisc.edu) or call 608-386-8900

#### Program Updates

Session cancellations and rescheduled dates will be posted before 4:30 pm on the day of the session. To see cancellations, visit [woodlandinfo.org](http://woodlandinfo.org)

Learn About Your Land classes are a partnership between the Extension Natural Resources Education Program and the Wisconsin Department of Natural Resources.

University of Wisconsin, U.S. Department of Agriculture and Wisconsin counties cooperating. An EEO/AA employer, University of Wisconsin-Madison Division of Extension provides equal opportunities in employment and programming, including Title IX and American with Disabilities (ADA) requirements. Requests for reasonable accommodations for disabilities or limitations should be made prior to the date of the program or activity for which it is needed. Please do so as early as possible prior to the program or activity so that proper arrangements can be made. Requests are kept confidential. Hearing Impaired Relay: 711
