On the next page (you may add more pages) tell your 4-H story for this year. Tell about your most important experiences and activities. Here are some suggestions for topics to include:

1. Introduce yourself
2. Tell about club, county, district, or national activities you were in. List the activity, such as, dairy promotion, community service, Area Animal Science Days, Citizenship, Washington Focus, Day in the Arts, Project Learning Day- and what you did. Why is this important to you? What was accomplished in this activity?
3. List club officer positions or committees you were on. What did you do and learn as an officer or committee member?
4. You might include non-4-H activities you are involved in.
5. Describe how 4-H participation and involvement has influenced you and your school or career goals. How did your experiences this year help you learn and grow?
6. Explain how 4-H has helped you become a better leader and citizen. What have you learned about working as a team? How have you gained skills and abilities in responsibility, problem solving, communication, decision making, career interests, goal setting, ethics, fairness, respect and citizenship?

These are just suggestions. Make this YOUR story that tells about your year in 4-H.
