A NON-OPERATING LANDOWNER?

Nearly 40% of U.S. farmland is rented or leased from agricultural landowners, the majority of whom are non-operator landowners, or NOLs.

WHAT'S A LEARNING CIRCLE?

Learning Circles are flexible, peer-directed learning experiences. They are built upon the idea that every member has something to contribute and that every member has something to learn.

WHAT WILL BE DISCUSSED?

- Soil Health and Farmland Conservation
- Breakout for Women Landowners
- Talking to your Farmer about Soil Health Practices
- Financial Opportunities
